Trial job program and transitional jobs demonstration project and making an appropriation					

### Assumptions Used in Arriving at Fiscal Estimate

It is assumed that DWD will have marginal costs associated with posting the project information on the DWD Job Center of Wisconsin web-site. However, these costs are estimated to be minimal (staff time, IT costs, server costs, etc.) that will be absorbed into the Agency's annual operating budget. It is also assumed that all project information that will be posted on the DWD Job Center of Wisconsin web-site will be provided by the Department of Children and Families (DCF) as the point agency for this project. Project information development costs will be covered by TANF funds provided to DCF. In addition, any hard copy documentation (pamphlets, brochures, etc.) will also be provided by DCF with costs for this hard copy documentation also being fully covered by funding provided to DCF.

<b>Description</b> Trial job program and transitional jobs demonstration project and making an appropriation		
<b>I. One-time Costs or Revenue Impacts for State and/or Local Government (do not include in annualized fiscal effect):</b>  Costs associated with the posting of project information on the DWD Job Center of Wisconsin web-site will be minimal and will be absorbed into the Agency's (DWD/DET) annual operating budget.
